Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

\$30.00 AND \$35.00.

Scrofula, a Vile Inheritance.

Scrofula is the most obstinate of blood troubles, and is often the result of an inherited taint in the blood. S. S. S. is the only remedy which goes deep enough to reach Scrofula; it forces out every trace of the disease, and cures the worst cases.

My son, Charlie, was afflicted from infancy with Scrofula, and he suffered so that it was impossible to dress him for three years. His head and body were a mass of sores, and his eyesight also became affected. No treatment was spared that we thought would relieve him, but he grew worse until his condition was indeed pitiable. I had almost despaired of his ever being cured, when by the advice of a friend we gave him S. S. S. (Swift's Specific). A decided improvement was the result, and after he had taken a dozen bottles, no one who knew of his former dreadful condition would have recognized him. All the sores on his body have healed, his skin is perfectly clear and smooth, and he has been restored to perfect health.

For real blood troubles it is a waste of time to expect a cure from the doctors. Blood diseases are beyond their skill. Swift's Specific.

S.S.S. For The Blood

reaches all deep-seated cases which other remedies have no effect upon. It is the only blood remedy guaranteed purely vegetable, and contains no potash, mercury, or other mineral.
